More often than not, you can't use a Roblox account generator through any legitimate means. Though they may

appear on sites like Reddit, to actually get the account, you'll need to join closed Discord servers, and download specific software that isn't verified by the game's developers. Therefore, you're taking a huge risk with your device's security by downloading them, as they could contain anything from viruses to spyware. They're also pretty unreliable. If you go to the trouble of downloading one, it might not even work.

Equally, if you get caught using an account generated through these programs, there are big consequences. The official Roblox site strongly advises against using schemes like account generators. They say that anyone asking you to input your details anywhere is scamming you, and that you won't receive a glitched account or free Robux. The terms of service also warn against it, too. They say that you cannot obtain "exploited game or experience content." This includes hacked accounts with Robux. If you're caught doing this, they reserve the right to immediately close your account.

A good year or so I wrote an article called 'What is Roblox?'. At the time I was new to the game that my young son had started playing and thought it a good idea to educate people on what the 'game' actually was. After playing with my son for over a year on Roblox I felt it was time to rewrite the article as there is plenty that the original didn't cover.

I appreciate that reading this may make Roblox sound like a scary place for your kids to spend their digital time in but rest assured this is not the case. If you follow the steps above and educate your kids on how to stay safe and let you know when something isn't right, they will have a great time playing any of the games on the platform. My son has even got me playing with him and this can be a great way to fully understand what it is your kids are doing.
